

# UKAIS 2024 CONFERENCE

## Responsible Digital

Conference: 25-26 April 2024

Doctoral Consortium: 24 April 2024

University of Kent, UK

### Submission deadline: 30 October 2023

Technologies can have positive impacts on the way we work and live. However, not every individual, organisation or region is able to take advantage of such advancements.

How can we ensure digital responsibility?

UK Academy for Information Systems (UKAIS) 2024 conference encourages submissions that articulate such challenges theoretically and study them empirically while making a strong contribution to the IS field. We welcome submissions in the following tracks.

0. General Track
1. Big Data and Analytics
2. Education (Teaching and Learning)
3. Health IT and IS for Healthcare
4. Metaverse and Web 3.0
5. Online communities and networks
6. Responsible AI & Ethics
7. Equality, Diversity, and Inclusion in IS
8. Digital Work
9. Digital Marketing
10. Digital innovation, transformation, and sustainability
